Bayer, Hot Potatoes Trip February 2023

Welcome to the island of Kauai, also called the “Garden Island.” Centuries of growth have formed tropical rain forests, forking rivers and cascading waterfalls. From sea or air, Kauai reveals views beyond your imagination.

More than just dramatic beauty, the island is home to a variety of outdoor activities. In addition to several great golf courses on the Garden Island, you can kayak the Wailua River, snorkel on Poipu Beach, hike the trails of Kokee State Park, or go zip lining above Kauai’s lush valleys. Kauai’s laid-back atmosphere and rich culture in our small towns is what truly makes it timeless.

The Koloa Landing rests on 25-acres of lush gardens. We are centrally located on the island of Kauai - 14 miles from Lihue airport adjacent to the Kukuiula Shopping Center and popular attractions. Ideal for groups with 20-200 guests, your group will genuinely enjoy this amazing destination resort and will love the personalized service of this unique boutique resort that is unlike any other.

Flights between the outer islands and Lihue (LIH) start around \$69 one-way to over \$250 depending on time of year and availability. Lihue (LIH) airport, the only commercial Airport on Kauai. Lihue (LIH) pronounced lee-HU-ay (“ay” as in bay), handles arrivals on Kauai. The Lihue terminal is small, modern, efficient and is centrally located on the east side of Kauai.
